Amazing Kids! of the Month Nomination Form

Attention Kids! Parents! Teachers! Everyone!
Tell the world about an amazing kid or kids you know!

Amazing Kids!® is an educational non-profit organization, dedicated to inspiring excellence in children. Each month, Amazing Kids! highlights stories about amazing kids (the "Amazing Kids! of the Month") on the Amazing Kids! website (www.amazing-kids.org). By celebrating the amazing work of kids, we hope to inspire more kids to become Amazing Kids!

Amazing Kids! is accepting nominations for the **Amazing Kids! of the Month***. Here's your chance to tell thousands of people from around the world about some amazing kids you know! If you know kids who are doing something amazing, we want to know about them! Use the spaces below to include: the name of the kid/kids; the name and/or description of their project; their classroom teacher and school and/or parent's name, email or contact number.
